Chapter 1: Sketching and constraints

Sketching commands & options

Set dimension   Create geometry   Manipulate geometry

Enter/exit sketch

Sketch tool box

國立中央大學機械工程學系
Department of Mechanical Engineering,
National Central University

Chapter 1: Sketching and constraints

## Geometry commands & options

Constraint relations

Constraint command
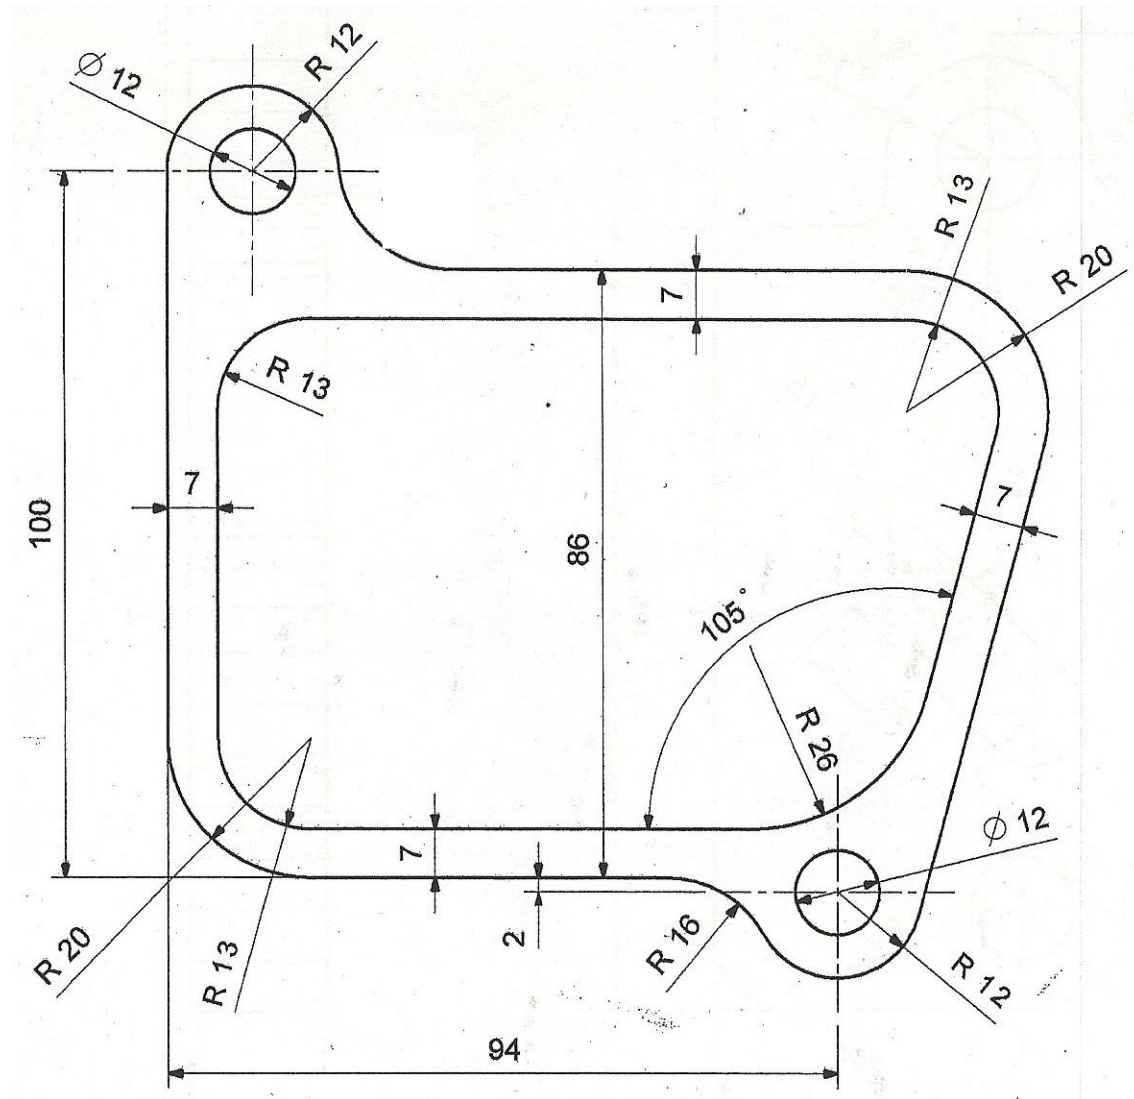

Additional options

Geometric parameters
NEVER USE FOR CONSTRAINT !

Exercise 5

Exercise 6

Exercise 7

Chapter 1: Sketching and constraints

Exercise 8
